Nebraska State Office Building

Lower Level - East Tunnel Conference Room (Next to Copy Services)

11am-1pm (Drop In Anytime)

Dear NAPE Contract Covered DHHS Employees,

In an effort to best represent all employees covered by the NAPE Contract, leadership and staff are conducting meetings across the state in order to understand what is most important to you. NAPE is committed to making sure your voice is heard both now and in the future.

Members of the NAPE team will visit the State Office Building in Lincoln on Thursday, March 21. They look forward to meeting you, answering questions, and hearing your suggestions.

Whether or not you are a NAPE member, come and grab a free sandwich on the lower level in the conference room in the east tunnel next to Copy Services (A NAPE sign will be on the door). We will be available anytime from 11am-1pm to talk with you about our new contract, working conditions, our goals for the future, the benefits of union membership, or anything else on your mind.

NAPE is particularly looking to grow and better represent our employees at DHHS. Your opinions and voice are important, and we want to hear from you.

I hope you will stop by and introduce yourself on March 21, but if not, please keep in touch regarding your concerns. If you are not on our e-mail list, please visit our website at www.napeafscme.org. You can add your e-mail address to our list right on the homepage.

If you have any questions, please don't hesitate to contact us.
