Dear NAPE Stewards,

We are excited to invite you to our 2019 NAPE Steward Seminar! This is a chance for all NAPE stewards to gather together to learn new skills as a union steward, to meet and interact with other NAPE stewards from around the state, and to discuss our plan for contract negotiations and the future of our union. Specific topics of the seminar will be:

- Common contract concerns that result in grievances, update on grievance victories
- How to best represent members in investigations and pre-disciplinary hearings.
- Advanced grievance handling skills
- How to best advocate for our members rights in the workplace
- The steward's role in upcoming contract negotiations
- The steward's role in our new strategic plan
- Changes to our union bylaws/governance structure beginning in 2021

All current NAPE stewards are invited to attend! The seminar will take place in Omaha on Saturday, October 19, 2019 from 9am to 4pm at the Marriott Omaha Regency, which is located at I-680 & Dodge. NAPE will provide all materials, lunch, and a hotel room at the Marriott on the evening of Friday, October 18 for all stewards traveling more than 60 miles. We will not be able to reimburse mileage for this training.

To sign up to attend the seminar, please RSVP by visiting our website at www.napeafscme.org and click the steward seminar link toward the bottom of the homepage. You can also call our office at 402-486-3911.

We know Omaha is far for some of our stewards, but we hope you will consider making the trip. We think the training is very valuable, but more so is the opportunity to meet as a group to strengthen our union. We hope to see you in Omaha!
