Introduction

NAPE and the State of Nebraska reached a tentative agreement on a new contract for fiscal years 2022 & 2023 on November 18, 2020. All NAPE members have the right to vote to ratify or reject the tentative agreement. Ratification meetings for the purpose of voting will take place across the state from November 30-December 18, 2020. A detailed schedule is available at www.napeafscme.org. Non-members are welcome to attend the meeting for informational purposes. If a non-member chooses to join the union, they will be able to vote at the meeting.

Ratification Procedures

Ballots will be counted on December 21, 2020. Each bargaining unit ratifies the contract separately. A simple majority of those voting is needed for ratification in each bargaining unit. If the tentative agreement is ratified, it will take effect on July 1, 2021. If it is rejected, the team will go back to the negotiating table in an attempt to negotiate without going to impasse. If impasse is declared by either NAPE or the State, the Nebraska Commission on Industrial Relations will settle the dispute as provided by Nebraska Law.

Negotiation Team

Members of the negotiation team were elected by delegates to the NAPE Bargaining Conference in July 2020. Delegates were elected by the NAPE membership in March 2020. At the NAPE Bargaining Conference one person was elected to represent their bargaining unit on the negotiations team. Two at-large members were also elected. To be eligible to be elected, a NAPE member must be in good standing, have been a member of the union for one year, and be certified as a steward.

Onward

Negotiations 2023

This contract is just the beginning. Negotiating the step pay structure allows us to improve upon wages in ways we haven't been able to in the past. For example, now if we improve minimum salaries, it benefits veteran employees because the steps are tied to each classification minimum. Additionally, items such as early retirement options, paid parental leave, and maintaining sick and vacation leave earnings will be a focus in 2022 bargaining.

Grow Our Union

Our strength during negotiations this year is a direct result of our growth and organization. NAPE grew its membership by 45% during the contract term. Our strength lies in our numbers. Standing up for our rights and focusing on our members is what our union is all about. Now is the time to join us! We need you to be a NAPE member! The state has armies of managers, lawyers, and lobbyists representing their best interests, and you should too.

Get Involved

Become a Steward

(Sign up at <https://napeafscme.org>)

A steward is a worksite leader who is trained on our contract to assist members and ensure the contract is followed at the worksite. Initial training takes just three hours and is taught at sites around the state. Training is open to all NAPE members.

Serve/Lead

(Nominations & Elections begin in February)

The NAPE Board of Directors is made up of 25 elected union members from around the state and provide leadership for the union. Our bylaws were updated last year to allow for greater participation on the board. Any member in good standing for more than one year is eligible to run for seats on the board that they are eligible to hold (i.e., agency representative, area representative, etc.).

Be a Delegate

(Delegate Assembly is August 13-15, 2021)
The Delegate Assembly meets every odd numbered year and is the highest decision making body of the union. The delegates consider bylaw changes and elect the officers of the union. The meeting is held in Lincoln, and all expenses are paid by the union. Nominations and elections are held beginning in April.

Attend a Local Area Meeting

The first step to getting involved is by attending a union meeting near you. Each meeting lasts one hour. Free food and a short training topic is provided at each meeting. Members are also able to ask questions, voice concerns, and meet other union members. Additional meeting locations are advertised to members by mail and e-mail. Non-members are welcome to attend to learn more about NAPE.
