ARTICLE 2. NONDISCRIMINATION

Section 2.0 Prohibition. The Employer and Union agree that no preference or discrimination will be shown by either the Employer or Union for or against any employee in regard to race, color, national origin, age, sex, sexual orientation, gender identity, disability, religion, political affiliation, or affiliation or nonaffiliation with the Union, or engage in any harassment, all as provided by law.

Retaliation by the Employer or the Union is prohibited.

**ARTICLE 3.
MANAGEMENT RIGHTS**

- Section 3.0** Employer Rights. All management rights, functions, responsibilities, and authority not specifically limited by the express terms of this Agreement are retained by and remain exclusively within the rights of the Employer to the extent that such rights do not violate its legal authority, and to the extent such rights are not modified by this Agreement. The management of the Colleges, including the right to make reasonable rules and regulations, to test for cause for alcohol or illegal substances, to direct the work force, to hire, promote, transfer, suspend or discipline and/or discharge for just cause, to establish a classification and compensation plan, to layoff employees, to introduce new methods, equipment, and facilities, to supervise and control all College operations, to define job responsibilities for each position, to establish hours of work and to approve leave time, subject to the provisions hereinafter set forth in this Agreement, are vested exclusively in the Employer.

**ARTICLE 4.
HIRING**

- Section 4.0** Vacancies. Whenever a vacant position, which is covered by this Agreement, is posted, a notice of such opening will be listed on designated employee bulletin boards and the College website stating the job title, description, qualifications, date of availability, and where appropriate, minimum pay.
- Section 4.1** Selection Criteria. The Employer may consider external candidates for any vacant position as well as internal candidates and may conduct internal and external searches simultaneously. The Employer shall fill job vacancies using a variety of factors including, but not limited to, knowledge required, work experience and ability, relevant job related tests, and, if applicable, active recall rights. If the qualifications and suitability of external and internal candidates are relatively equal, the Employer will select the most senior internal candidate.
- Section 4.2** New Employee Salaries. New employee salaries will be set based on qualifications and experience but will not exceed Step 2 of the Salary Guide without written approval of the Chancellor. The Chancellor will provide a copy of the justification to the Union upon request. New employees must have related work experience or formal education above the high school level or certification in a work related program in order to receive a salary exceeding five percent (5%) of Step 1 of the Salary Guide.
- Section 4.3** Agreement Notice to New Employees. The Employer agrees to inform every new employee at the time of initial hire where a copy of this Agreement may be accessed online. A written copy of this Agreement shall be provided to a new employee upon request.

2021-2023 NAPE Agreement

Section 4.4 Background Checks. Offers of employment are contingent on the applicant successfully passing a background check.

ARTICLE 5. PROBATION

Section 5.0 Probation Period. New employees shall be required to complete a probation period of six (6) months from the date of hire and shall be so notified. Probationary employees shall have no grievance rights under this Agreement but shall retain all applicable rights under state and federal law.

Section 5.1 Extensions. A probationary employee may have the probation period extended for up to an additional six (6) months for reasons of performance, transfer, promotion or leave of absence, at the discretion of the immediate supervisor.

The notice of extension will be in writing and will include the specific period of extension. In case of extension for performance reasons the employee will be provided specific performance improvement requirements.

Section 5.2 Discharge. Employees may be discharged at any time during the probation period with or without cause. The President or designee will notify the employee in writing of the date the discharge is effective. Upon employee request, the President or designee will give the employee the reason for the discharge.

Section 5.3 Transfers. Employees who have successfully completed their probation period and thereafter transfer to another position in another classification series or who are permitted to transfer to another College may be required, with sufficient written notice, to satisfy another probation period in the new position.

ARTICLE 6. JOB RESPONSIBILITIES

Section 6.0 Classification Descriptions and Job Descriptions. The Employer maintains classification descriptions for all employees. In addition, each employee shall have a description of his or her specific job responsibilities. Classification descriptions are available to the employee upon request at the Human Resource Office. Classification descriptions can also be found on the College website. Job descriptions are provided to employees by the Supervisor or the Human Resource Office. Copies of job descriptions are also provided to the Human Resource Office.

Section 6.1 New Job Responsibilities. If new responsibilities are added to the employee's job duties or job description, the employee will be so advised with as much advance notice as is practical and the supervisor and employee will meet to discuss any realignment or adjustment of existing duties or priorities. The supervisor and employee will meet to discuss necessary adjustments of workload assignments for the scheduled work week. Upon request by the employee, the supervisor will provide notice of the new job responsibility in writing.

Section 6.2 Discussion of Job Responsibilities. The assignment of job responsibilities shall be reasonably related to the employee's classification description. If the assigned job responsibility is reasonably related to the employee's classification description, the assignment is not grievable. An employee may request a meeting with the Human Resource Director/AVP and the immediate supervisor to discuss job responsibilities, either in terms of workload or the appropriateness of an assignment in relation to the classification description.

Section 6.3 Temporary Pay Increases. When an employee is assigned by a supervisor to perform the duties of a position in a classification higher than the classification currently held by the employee for a period of at least four (4) hours in a work day, the employee shall receive a temporary pay increase to the minimum rate of the salary grade of the higher classification for the time worked, or a four percent (4%) increase in their current pay for the time worked, whichever is higher.

If employees are assigned to perform the duties of a higher classification on an ongoing basis, but less than four (4) hours in a work day, the Employer has the discretion to provide a temporary pay increase.

Section 6.4 Training. Where appropriate and at the discretion of the Employer, training sessions, seminars, workshops or meetings necessary for the accomplishment of the employee's assigned duties will be provided to the employee. Priority will be given to immediate work requirements and safety issues when assigning employees to training or meeting activities.

The cost of training required by the Employer shall be paid for by the Employer, including travel, supplies, and equipment expenses. An employee participating in required training shall be considered to be on work time. If required training is not offered during a regular workday, the employee shall be allowed compensatory time off for the actual hours in training including any travel time associated with such training.

Section 6.5 Degree Completion. In recognition of the employee's increased value to the Employer, the Employer shall provide a salary base increase upon the completion of each academic degree earned after the commencement of employment and after the effective date of this Agreement. Base salary increases will be awarded only on July 1st following completion of the degree program. Official transcripts or other appropriate documentation from the awarding institution must be provided to the Human Resources Office prior to July 1st in order to receive the salary increase. Salary increases will be based on the following schedule.

Associate Degree	\$ 500
Bachelor's Degree	\$ 750
Master's Degree	\$1,000

Section 6.6 Certification Completion. The Employer shall provide a salary base increase upon the completion of each certification program approved by the immediate supervisor and appropriate Vice President in writing that relates to the employee's position and better qualifies the employee to perform assigned tasks. The amount of the salary base increase will be determined by the Employer. The increase shall reflect the value of and benefit of the employee's newly acquired competencies but shall not exceed three

hundred dollars (\$300.00) for each completed certification program. After providing the salary increase under this Section, the Employer has the right to continue to require the employee to maintain a current certificate without further compensation.

**ARTICLE 7.
HOURS OF WORK AND OVERTIME**

Section 7.0 Workweek. The regular workweek, Sunday through Saturday, shall mean five (5) consecutive workdays of eight (8) hours per day unless there is mutual agreement between the employee and the immediate supervisor to work a flex-time schedule (for example, four (4) ten (10) hour days of summer schedule). Employees may request flex-time schedules or schedule deviations which will be considered in conjunction with College needs. Approval of a flex-time schedule request by an employee shall not be unreasonably denied. Supervisors may adjust employee workweek schedules to accommodate College needs. The assignment of reasonable employee work schedules is a non-grievable matter. Overtime must be authorized in writing by the immediate supervisor before any work is performed.

In the event of an emergency, or when it is not possible or practical to obtain prior approval for overtime work to be performed, the immediate supervisor may approve the overtime in writing subsequent to the time the work was performed.

Section 7.1 Evenings, Weekends and Holidays. Employees may be required to work evenings, weekends, and holidays. If an employee is required to work on a holiday, the employee will be allowed comparable time and one-half off on a mutually agreed upon alternate date. When scheduling the alternate date, the employee's request shall not be unreasonably denied.

Section 7.2 Overtime Pay. Employees must be paid at time-and-one-half for all hours worked in excess of forty (40) hours, unless given compensatory time off under the conditions outlined in Section 7.3 below.

Section 7.3 Compensatory Time. At the discretion of the Employer, compensatory time on a one-and-one-half basis may be given in lieu of overtime pay; provided, however, that an employee may not accrue more than two hundred forty (240) hours of compensatory time (one hundred sixty (160) hours of time worked). Unused compensatory time shall be paid at the end of employment. Use of compensatory time will be granted within a reasonable period of time after employee's request if such use does not unduly disrupt the operations of the college.

Section 7.4 Overtime Preference. Employees may be required to work more than a forty (40) hour week. Overtime will be offered to volunteering employees within the classification, but where there is more than one volunteer, overtime shall be offered on a rotating basis beginning with the employee with the most College seniority. If there are no volunteers, then employees will be required to work overtime on a rotating basis beginning with the employee with the least College seniority.

Section 7.5 Overtime Notice. In the event of the need for work past a regularly scheduled work shift, employees will be notified as soon as practical, however, no later than three (3) hours before the end of their regularly scheduled work shift on that day, unless an emergency

arises in which case notice is to be given as soon as is practical. In the event of the need for Saturday or Sunday work, for employees who are not regularly scheduled to work on those days, the employees will be notified as soon as is practical but at least three (3) hours before the end of their regular shift on the preceding Friday, unless an emergency arises in which case notice will be given as soon as is practical. An emergency is defined as any unexpected and unforeseen event under circumstances that could not have been anticipated by the immediate supervisor.

In the event of an emergency need to require employees to report to work earlier than their regularly scheduled work shift, the employees will be notified prior to the end of the preceding work shift. If prior day notification is not possible, notice will be given as soon as practical. Employees will not be required to report to work earlier than their regularly scheduled work shift, unless an emergency exists. Employees must be paid at time and one-half for all hours worked in excess of forty (40) hours, unless given compensatory time off under the conditions outlined in this Article.

If work is required outside an employee's regular work week for a scheduled activity, the employee will be given as much advance notice as possible but not less than ten (10) working days written notice prior to the beginning of the work week. When the compensating time-off during the workweek is to be scheduled, the time-off will be reasonably determined by mutual agreement.

Section 7.6 Called Back. Employees, who have left the college and are later "called back" to work after completing their regular work shift, will be compensated for actual time worked, but in no event less than two (2) hours. Employees shall not be required to be "on call," and employees shall not be required to report back to work except in the case of an emergency, as defined in Section 7.5.

Section 7.7 Lunch. Employees will be allowed an unpaid lunch period of at least thirty (30) minutes as scheduled by the immediate supervisor. In addition, employees will be allowed to take a fifteen (15) minute relief period as scheduled by the immediate supervisor both before and after lunch period but not in connection with the lunch period. In the event that employees are required to work in excess of ten (10) hours in a work day, they will be allowed an additional fifteen (15) minute relief period as scheduled by the immediate supervisor.

Employees working full time in the boiler houses will not be provided an unpaid lunch period. Those employees may eat lunch during their regular shift while performing work and receiving pay.

Section 7.8 Schedule Changes. Unless agreed to by the employee, the employer shall provide at least ten (10) working days written notice prior to making any permanent change in a work schedule. To the extent practicable, the schedule change will take into consideration the employee's schedule preference.

Section 7.9 Break Between Shifts. Employees shall be given at least ten (10) hours rest between required shifts except in circumstances involving an emergency, as defined in Section 7.5.

**ARTICLE 8.
HOLIDAYS**

Section 8.0 Holiday Schedule. The following holidays (eight (8) hours each) are compensated holidays:

New Year's Day	January 1
Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	First Monday in September
Thanksgiving Day	Fourth Thursday in November
Day after Thanksgiving	Friday following

Employees with less than a 1.0 FTE position shall earn holiday leave at a proportional pro-rated amount.

In addition to the seven (7) holidays noted above, the Employer shall schedule five (5) other holidays during the calendar year. The Employer may also schedule additional holidays to match state and federal holiday observances.

Military veterans shall, upon request, be permitted to observe the Veteran's Day holiday on the observed date. Leave will be charged to the employee's vacation leave balance or time can be made up within thirty (30) workdays. The request for leave shall not be unreasonably denied.

Section 8.1 Work on Holidays. It is understood that no employee will be requested to work on a holiday unless absolutely necessary. Employees required to work on holidays shall be compensated at the rate of time and one-half. Employees who are assigned to work on the Saturday and Sunday between Christmas Day and New Year's Day will be compensated at the rate of time and one-half.

Section 8.2 Eligibility for Holiday Pay. In order for an employee to be eligible for holiday pay the employee must work his or her scheduled work day before and after the holiday or be authorized to use paid or unpaid leave on the day before and after the holiday. Holiday pay shall be at the regular rate of pay and time worked on a holiday shall be one-and-one-half of the regular rate of pay.

Section 8.3 Holidays on Days Off. Employees may be allowed another day off, if the holiday falls on their regularly scheduled day off of work. Time will be reported as eight (8) hours of holiday leave.

**ARTICLE 9.
PERFORMANCE EVALUATION**

Section 9.0 Objectives. The overall objectives of an employee performance evaluation program are to measure, maintain, and improve job performance. The evaluation program will attempt to promote high levels of achievement and morale through a system which encourages supervisors and employees to work together to improve performance and

to facilitate communication concerning employee progress toward the attainment of performance objectives.

- Section 9.1** Probation Performance Report. A performance report for employees will be prepared by the immediate supervisor prior to the conclusion of the probation period per Section 5.0 or any extension thereof and annually thereafter. Each performance evaluation must be conducted by the employee's immediate supervisor. Each report must be reviewed by the evaluator's supervisor prior to discussion with the employee.
- Section 9.2** Performance Conference. The supervisor will schedule a conference with the employee prior to May 1 of each year to discuss the evaluation in relation to the job assignment for the past evaluation period and to jointly set goals and specific objectives for the coming year. Counseling on performance issues shall be done in private.
- Section 9.3** Acknowledgment, Rebuttal or Comments. Performance evaluation reports must be reviewed and acknowledged by the employee. Acknowledgment signifies only that the employee has reviewed and discussed the performance evaluation. Each employee will receive a copy of his or her performance evaluation report and have an opportunity to comment or rebut any performance assessment within fifteen (15) calendar days. Employees may comment on supervisory and work issues. A copy of each performance evaluation report and any rebuttal or comment submitted will be included in the employee's personnel file. A copy of the employee rebuttal or comment shall be provided to the evaluator's supervisor.
- Section 9.4** Evaluation Criteria. All employees will be provided the criteria/standards to be used in the evaluation of their job performance. If the criteria/standards for evaluation change, the employee will be so advised. Evaluations shall be based on the job duties assigned and conduct during the evaluation period.
- Section 9.5** Form. A standardized evaluation form will be used and will include four (4) rating categories for performance. The categories shall be as follows: Exceeds Expectations, Satisfactory, Needs Improvement, and Unsatisfactory. Only an overall satisfactory or above performance designation is eligible for any negotiated annual increase to base salary, if any. The form shall also contain a section to document goals set pursuant to Section 9.2.
- Section 9.6** Absence of Evaluation Report. If no annual performance evaluation report is conducted, the employee will be considered to have performed satisfactorily
- Section 9.7** Corrective Action Plan. In case of identified areas of concern, a corrective action plan identifying specific requirements and outcomes will be created by the supervisor in consultation with the employee. Such a plan will be acknowledged with the employee's signature and attached to the original evaluation report with a copy placed along with the evaluation in the employee's personnel file.

ARTICLE 10. CLASSIFICATION

- Section 10.0** Classification Assignment. Each employee will be assigned to an authorized

2021-2023 NAPE Agreement

classification designated by the Employer and will be compensated in accordance with the salary grade applicable to the designated classification as of the date of this Agreement.

The Employer agrees to classify/reclassify positions based on the scope and level of duties and responsibilities assigned, the nature and extent of supervision received and exercised, and the knowledge, abilities and skills required with the end result being that all classifications are in balance with the classification for similar work being performed by other College employees. The employer retains the right to assign and reassign work, which may affect the classification assignment of each position.

Section 10.1 Classification Review Request. If an employee or supervisor believes that the placement of an employee's classification assignment warrants a review, the employee or supervisor may request a review provided the position has not been reviewed by the Human Resources Office in the previous six (6) calendar months. An employee's classification is not eligible for a review for the first year of employment. Requests for review will be submitted in writing to the Human Resources Director/AVP and the employee's immediate supervisor and will contain the following:

- a) a current classification description questionnaire completed by the employee;
- b) a concise and specific statement as to why the employee believes the current classification assignment is inappropriate and the specific reasons therefore; and,
- c) a concise and specific statement of the classification sought (which must be a currently existing classification), and the specific reasons therefore.

Section 10.2 Classification Review Process.

- a) Upon receipt of an employee classification description questionnaire, the Human Resource Director/AVP shall have fifteen (15) working days to review the assignment of duties and responsibilities of a position with the immediate supervisor and appropriate Vice President.
- b) Within the thirty (30) working days after receiving the questionnaire, the Human Resource Director will meet with the classification panel to discuss the request and the information submitted from the employee, supervisor and Vice President.
 - i) The classification panel shall be made up of five (5) members. The chair of the panel will be the Human Resource Director/AVP. Two (2) committee members will be appointed by the President and two (2) committee members will be appointed by the Union.
- c) The Human Resource Director/AVP will inform the President regarding the information that was received from the employee, supervisor, Vice President and the classification panel. The President will issue the College's final decision regarding the classification request. Determination of job duties and responsibilities is exclusively the authority of the President.

- d) If the review determines that a reclassification is not appropriate, no salary adjustment will be made. Job duties may be restructured, if necessary, to conform the job to its original classification.
- e) If the review determined that a reclassification is warranted and the Employer decides to continue the assigned duties and responsibilities in question, the reclassification is subject to the promotion terms and provisions contained in Article 16.
- f) Time limits in this Article will be adhered to unless otherwise agreed to in writing by the Employer and the Union or the employee.

Section 10.3 Appeal to the Chancellor. The employee may appeal the President's decision within ten (10) working days by filing all prior responses with the Chancellor. The Chancellor shall render a decision that is final within ten (10) working days of receipt of the appeal.

Section 10.4 Pay and Classification Plan Changes. The Chancellor, or designee, will notify the Union of newly created classes and classification title changes when such changes are made in the Support Staff Pay and Classification Plan. Any proposed revisions to the existing Plan including, but not limited to, creation of a new pay grade or assignment of a pay grade to a newly created classification shall require the Employer to negotiate with the Union before such revisions are implemented. The Employer and Union agree that any revision of the Classification and Pay Plan that may occur during the term of this Agreement shall not result in a loss of pay to any employee because of a downward reclassification of a position covered by this Agreement.

ARTICLE 11. CORRECTIVE AND DISCIPLINARY ACTIONS

Section 11.0 Verbal Counseling. Verbal counseling is an informal level of corrective action. Verbal counseling is not disciplinary action. Verbal counseling is not grievable. It is a warning given by an immediate supervisor in conference with an employee in which the matter is discussed with the employee. The employee will be advised what action is expected of him or her to correct the problem.

Section 11.1 Employer Right to Discipline. The right to exercise discipline for just cause is vested exclusively in the Employer; provided that an employee who has been disciplined will be advised of the reason or reasons for such action. The level of discipline imposed shall be based on the nature and severity of the infraction. Disciplinary action challenged by the employee or the Union as not in conformance with this Agreement, may be grieved as provided in Article 15, however, disciplinary dismissals may only be challenged as provided in Section 11.6.

Section 11.2 Predisciplinary Notice. Prior to imposing discipline, employees are entitled to notice of the allegations against them which will identify the nature of the offense, the rule, policy, or performance standard violated and include an explanation of the evidence against them. The notice will include a description of the incident(s) involved and date(s) of occurrence as applicable.

Section 11.3 Employee Opportunity to Respond. Prior to imposing discipline, the employee will additionally be entitled to an opportunity to respond to the allegations, present mitigating evidence, or present reasons why disciplinary action should not be taken.

Employees may be represented by the Union at such predisciplinary meetings which have the potential to lead to discipline. Employees shall be notified in advance that the meeting may have the potential to lead to disciplinary action and that he or she has the right to union representation. Unless otherwise agreed to, employees are not entitled to representation at routine supervisory or nondisciplinary corrective counseling conferences or meetings.

Section 11.4 Notice of Disciplinary Action. As specified in Section 11.2, an employee will be notified in writing whenever any disciplinary action is taken against him or her. The employee must acknowledge receipt by signing the written disciplinary notice. The employee's signature does not constitute agreement with the content of the notice. If the employee refuses to sign, the supervisor and a witness will sign a notation of the employee's refusal on the notice. A copy of the written disciplinary notice will be placed in the employee's personnel file.

Section 11.5 Types of Disciplinary Action.

- a) **Written Warning.** Written warnings consist of a discussion between the employee and a supervisor in which the supervisor explains in detail the reasons for the warning and then provides a written disciplinary notice to the employee of the action required to correct the unsatisfactory performance, the time allowed for improvement and the consequences, including dismissal, for future violations or failure to improve.
- b) **Disciplinary Probation.** A disciplinary probation may be imposed by the appropriate Vice President or designee for a period of up to six (6) months, but may be extended to a total of one (1) year, during which time the employee's performance must improve. A corrective action plan including the time allowed for improvement and the consequences, including dismissal, for future violations or failure to improve shall be included in the written disciplinary notice.
 - i) Employees on disciplinary probation shall not be promoted or granted merit pay increases.
 - ii) Employees granted leave while serving disciplinary probation may have their probation extended by the number of days absent on leave.
 - iii) Employees may be removed from disciplinary probation by a written notice of the appropriate Vice President or designee.
- c) **Disciplinary Suspension Without Pay.** A period of suspension imposed by the President shall be without pay and shall not exceed five (5) working days. The Disciplinary notice informing the employee of suspension shall be dated and include the reason for the suspension, the number of days of the

suspension, time allowed for improvement and the consequences, including dismissal, for future violations or failure to improve.

- i) The employee's service date shall be adjusted by the number of calendar days absent during a suspension.
 - ii) Employees on suspension shall not be granted paid leave during the suspension period.
- d) **Demotion.** A President may demote an employee to a class of a lower salary grade as a disciplinary action. The employee's duties shall be changed to reflect the new classification. Upon demoting an employee for disciplinary reasons, a President shall reduce the employee's salary a minimum of five percent (5%) and the salary may not be above the Maximum Rate of the new salary grade. However, demoted employees' salaries may be reduced no lower than the minimum salary of the new salary grade.

The written notice regarding the demotion time shall specify the time allowed for improvement and the consequences, including dismissal, for future violations or failure to improve.

- e) **Discharge.** Other than an employee serving a probation period subject to Article 5, an employee may not be discharged without just cause. Discharge is removal from employment for failure to respond to previous disciplinary actions or when extreme circumstances render any preceding steps unnecessary or inappropriate.

Section 11.6 Discharge Process and Procedure.

- a) Upon receipt of a supervisor and/or Vice President's recommendation to dismiss an employee, the President shall inform the employee, in writing, of a time at which the employee may present any facts, material, or evidence regarding the employee's potential discharge to the President or a designee. Failure by the employee to appear shall act as a waiver by the employee of the aforementioned meeting but shall not be construed as an admission regarding the allegations. The employee may be represented by the union and/or an attorney in the meeting.
- b) Within five (5) work days following the meeting described in Section 11.6(a), the President shall provide the employee a copy of his or her recommendations regarding the discharge. The five (5) day period may be extended upon agreement between the President, employee and representative. A copy of the President's recommendation shall be forwarded to the employee by Certified Mail with instructions to "Deliver to Addressee Only, Return Receipt Requested" or by personal delivery, or deposit to the employee's last known address. A copy of the President's recommendation shall also be forwarded to the Chancellor.

If the President recommends that the employee be discharged, the written notice shall inform the employee that he or she may obtain a hearing before a

2021-2023 NAPE Agreement

hearing officer by delivering a written request to the Chancellor within ten (10) work days of the employee's receipt of the President's notice. The hearing officer will be selected by a process agreed to by the parties.

Eligible employees, male or female, may use family and medical leave:

Section 19.3 Bereavement Leave. At the discretion of the immediate supervisor, up to six (6) days of paid bereavement leave may be granted to employees per fiscal year. No employee shall be unreasonably denied the use of vacation leave when such additional time is required to settle personal matters related to a death in the immediate family. Generally, bereavement leave is taken immediately following the death, however, there may be circumstances when more flexibility is needed, for example, if a memorial

service is scheduled at a time in the future.

Section 19.4 Inclement Weather/College Closure Leave. When inclement weather causes College classes to be canceled, all employees, other than those required to report to work to provide emergency or other essential services, will be entitled to take Inclement Weather Leave. Such leave does not require the prior approval of the employee's supervisor. Time spent on Inclement Weather Leave will be charged against the employee's vacation or compensatory leave balance or time can be made up within thirty (30) working days at the request of the employee, which request shall not unreasonably be denied. When the President declares the College closed, absences will not be charged against employee leave balances. Employees required to report to work to provide emergency or other essential services as determined by the Employer will be allowed comparable time off on an alternate date mutually agreed upon by the supervisor and the employee.

If College classes will be canceled or if the College will be closed, the President shall make every reasonable effort to notify all employees as soon as possible. Employees who are required to report to work to provide emergency or other essential services shall be clearly identified and notified as soon as possible.

Section 19.5 Injury Leave/Workers' Compensation. Employees who are unable to work as a result of a job-related injury or disease shall be granted injury leave with pay while incapacitated for not more than five (5) of the employees normal working shifts for any particular injury if a claim has been approved by the workers' compensation program administrator. Certification or documentation of the injury or disease will be required. Such leave is not to be charged against accumulated vacation or sick leave. For details of Workers' Compensation benefits, employees are to inquire at the Human Resource Office.

Section 19.6 Civil Duty Leave. An absence with pay will be granted an employee for jury service or election service during the actual period of service, and the employee will retain fees paid him or her as a juror or election worker; provided that the employee calls his or her supervisor to determine whether he or she should report for work upon being released from jury duty or election service on any day prior to the end of his or her regular shift.

Absence with pay may be granted for an employee who is subpoenaed as a witness during the actual period of such service; provided that the absence is limited to that period the employee is actually compelled to be present at court, having made reasonable efforts to arrange with the subpoenaing party that the attendance would be so limited.

Copies of summons and subpoenas should be provided to the Human Resource Office in advance of the absence.

Section 19.7 Military Leave. Military leaves of absence will be granted to all employees as may be provided by state and federal law or regulation per Board Policy 5608.

According to the terms of the Family Military Leave Act (Neb. Rev. Stat. §§55-501 to 507), an eligible employee who is the spouse or parent of a person called to military

service lasting one hundred seventy nine (179) days or longer with the state or United States pursuant to the orders of the Governor or the President shall receive up to thirty (30) work days of unpaid leave. An eligible employee must have been employed for at least one thousand two hundred fifty (1,250) hours during a twelve (12) month period immediately preceding the commencement of leave.

The employee shall give at least fourteen (14) days notice of the intended date upon which the family military leave will commence, if leave will consist of five (5) or more consecutive work days. Employees taking family military leave for less than five (5) consecutive days shall give the Employer advanced notice as is practicable. The employee shall consult with the Employer to schedule the leave so as not to unduly disrupt College operations. The Employer may require certification from the proper military authority to verify the employee's eligibility for the family military leave requested.

For benefit purposes, employees taking Family Military Leave will be treated the same as other employees taking unpaid Family and Medical Leave.

Section 19.8 Crisis Leave Sharing Program. Employees may contribute accrued vacation leave, accrued sick leave or compensatory hours to benefit another employee at the same College who is suffering from a catastrophic illness or who is unable to report to work due to pandemic quarantine measures. Vacation leave, sick leave or compensatory hours may be donated in no less than one (1) day increments. Hours donated but not used will be maintained in a crisis leave sharing pool and distributed on an as needed basis to eligible employees by a Shared Leave Committee designated by the College which shall include at least one (1) support staff bargaining unit employee.

The Committee will determine the amount of donated leave an employee may receive and may only authorize an employee to use up to a maximum of ninety (90) days in a twelve (12) month period. To be eligible to receive donated leave, an employee must have exhausted all paid leave.

The crisis leave sharing program will permit salary and health insurance continuation for those employees receiving shared leave.
