2.14 QUARTERLY REPORT: At the beginning of each quarter, the Employer will provide the Union with a printed list, upon request, at the Union's expense, containing the names, home mailing addresses, class title, class codes, and worksites of all newly hired, transferred, demoted or promoted employees in the bargaining unit. The Union will keep this list confidential.

### ARTICLE 3 – GRIEVANCE PROCEDURES

3.1 GRIEVANCE DEFINITION: A grievance is a written complaint alleging a violation involving the application and/or interpretation of the provisions of this contract or rules or policies that concern terms and conditions of employment. The Union shall have the right to file a grievance on behalf of the employee or employees involved.

3.2 WRITTEN INFORMATION: A grievance shall contain a statement of grievance by indicating the issue involved, the relief sought, the date the incident or violation took place, if known, and the specific article or articles of the contract involved.

3.3 SUBMISSION: The following procedure shall be used in the submission of a grievance:

a. Step 1

The aggrieved employee shall present in writing the grievance to the Roads Superintendent, or in the absence of the Roads Superintendent the appropriate foreman/County Board within five (5) working days from the date upon which the grievance is based.

The Superintendent or in the absence of the Roads Superintendent the appropriate foreman/County Board shall attempt to adjust the matter. The Roads Superintendent or in the absence of the Roads Superintendent the appropriate foreman/County Board may confer, with the Grievant either in person or by telephone, then reply in writing on the grievance form (or an attachment) within five (5) working days of delivery of the grievance.

Nothing in this Article shall be construed so as to prevent an employee and/or his Union Representative from discussing the Grievant issue with the Superintendent or in the absence of the Roads Superintendent the appropriate foreman/County Board prior to filing the formal grievance in an attempt to resolve the issue; however, contractual timelines will be applicable.

b. Step 2

If satisfactory settlement is not reached under Step 1, the grievance shall be presented to the County Commissioners and the Union Business

Representative within five (5) working days from the date any decision was made by the Superintendent under Step 1. The County Commissioners shall review the alleged grievance and meet with the Grievant (and the Union Representative, if applicable) at the first regularly scheduled Board meeting following receipt of the appeal. The Commissioners will render their decision to the Grievant and the Union in writing within five (5) workdays of said meeting.

c. Step 3

If satisfactory settlement is not reached under Step 2, the grievance shall be presented in writing to the Grievance Board within five (5) working days from the date a decision was made by the County Commissioners under Step 2. Said Grievance Board shall be made up of the following: two (2) people to be appointed annually by the Richardson County Board of Commissioners, two (2) people to be appointed annually by NAPE/AFSCME, and one (1) person to be selected by the other four (4) committee members. The Grievance Board shall conduct a hearing concerning the grievance at their earliest convenience, but within twenty (20) workdays from the receipt of the grievance. The Grievance Board will render its decision in writing within five (5) workdays of said hearing. The Grievance Board's decision shall be final.

d. Nothing in this Article shall be interpreted to limit any party's right to pursue available court remedies or appeals which may be available by law.

3.4 TIME LIMITS: Any time limitation provided herein may be waived or extended in writing by mutual agreement of the parties involved. Electronic communication shall be considered to be "in writing." When computing time, the first business day after an action will be considered day 1. Any grievance not filed within the time limitations provided herein shall constitute a waiver of grievance rights. The failure of the Employer to process a grievance within the time limits provided in this Article shall constitute an approval of the grievance, and the requested relief shall be granted.

## ARTICLE 4 – LAYOFF AND RECALL

4.1 FACTORS: Whenever there is a reduction in the work force, layoffs shall be made by the Employer. The Roads/Highway Department shall make recommendations to the County Board of Commissioners when a layoff is necessary and which classes and positions will be affected. When the employees are equally qualified to perform the work, then seniority shall be a factor. In recognition of the responsibility of the Employer for efficient operation, it is understood and agreed that in all cases of an increase or decrease of force, the following factors shall be considered: (a) ability and general fitness to perform the work in their own classification; and (b) continuous service, provided, however, only where factor “(a)” is relatively equal as between two or more persons, shall length of continuous service “(b)” be a determining factor.

4.2 NOTICE: The Employer shall give employees subject to layoff written notice at least ten (10) working days prior to the last effective date of the same. Such notice may be given to the employee orally, but also shall be mailed to each affected employee's last known address as shown on the Employer's records.

4.3 RE-EMPLOYMENT: The regular employees who have been laid off shall be placed on a layoff list maintained by the Employer, and such employees may be eligible for re-employment by the Employer. If rehired within six (6) months, all benefits in effect at the time of the layoff shall be reinstated.

4.4 LAYOFF LIST: The names and status of employees who have been laid off shall be placed on a layoff list, and shall be eligible for recall for a period of nine (9) months. A laid off employee subject to recall who is employed elsewhere shall not be required by the County to report until after the expiration of two (2) weeks from the date of notice. If such employee is not employed elsewhere, he shall be required to report to work at the beginning of the next pay period following recall. The County shall provide employees subject to recall with written certified notice of recall mailed to their last known address on record in the Highway Superintendent's Office. Employees on the layoff list shall be responsible for making their current address to the County Highway Superintendent's Office. The County shall present the Union with the layoff list and any changes as soon as possible.

4.5 REINSTATEMENT OF SENIORITY AND BENEFITS: Employees that are reinstated within nine (9) months of layoff shall have their seniority and all benefits in effect at the time of layoff reinstated.

4.6 SENIORITY: For purposes of this contract seniority is defined as the length of an employee's continuous service since the employee's last date of hire as a full time employee with the Richardson County Roads/Highway Department.

## ARTICLE 5 – STEWARDS

5.1 GENERAL: Stewards in the matter set forth in this Article shall represent employees within the bargaining unit. Employees, however, shall have the option of representing themselves. Alternate stewards may be appointed by the Union to serve if regular stewards are not working at the time an employee requests representation.

- a. No more than two (2) stewards will be allowed to be certified at one time, and no more than two (2) alternate stewards will be allowed to be certified at one time.
- b. Alternate stewards appointment will only be allowed if both stewards are not working. If appointed by the Local Union, such appointment must be furnished in writing to management. Alternate stewards will only be allowed to act as stewards after management's receipt of notification of appointment.

5.2 UNION STEWARD INVESTIGATION: When requested by an employee, a steward may investigate any alleged or actual grievance in his assigned work area and assist in its presentation, unless another steward is performing this function. He shall be allowed time during working hours in accordance with Section 4 of this Article upon notification and approval of his supervisor or designee, provided, however, the supervisor shall not unreasonably withhold approval. The steward must notify his/her supervisor prior to investigating claims during working hours. Employees may discuss grievances and complaints with stewards for reasonable amounts of time during their regular work shift, provided that the employee(s) and stewards have received approval from his/her supervisor or designee. Employee(s) and stewards must notify his/her supervisor upon their return to work.

5.3 STEWARD NOTIFICATION: When an employee presents his own grievance without a Union steward, the steward may, at the employee's request, be given an opportunity to be present, and shall be allowed the time in accordance with this Contract, upon notification and approval of his supervisor or designee, provided, however, the supervisor shall not unreasonably withhold approval.

5.4 GRIEVANCE PAY: Stewards who use time during their regular shift hours for investigating grievances or attending grievance meetings will be paid their regular hourly rate for such time used but not to exceed a total of three (3) hours per week,

which shall include any travel time necessary. The three hours per week is neither transferable nor cumulative and shall be limited to the steward's normal workweek. Stewards may use steward time for discussion of work rules per Section 1.5 with Roads/Highway Department representatives.

**5.5 APPROVAL OF GRIEVANCE INVESTIGATION:** No steward shall leave his regularly assigned work, work site or work area in order to investigate a grievance without first obtaining approval of his supervisor or designee, and provided further, such approval shall not be unreasonably withheld. (An emergency is defined as an unexpected, unforeseen or unanticipated event.) Non-permanent work schedule changes may be made by the Employer in order to respond to emergency staffing needs. At an employee's request, the reason for permanent change of schedule will be provided.

6.3 MEAL PERIODS: All employees shall be granted an unpaid meal period of thirty (30) minutes during each workday for lunch or dinner. Employees are completely relieved from duty during this time and are not compensated for the meal period. Where practicable, the Employer will attempt to schedule the meal period at approximately the middle of each shift.

6.4 REST PERIODS: All employees shall be granted a fifteen (15) minute paid rest period during each one-half shift. The rest period shall be scheduled at approximately the middle of each one-half shift.

6.5 CALL BACK TIME/CALL-IN: Employees eligible for overtime who are called back for duty or called in on the employee's day off will be guaranteed a minimum of two hours at the appropriate rate of pay. This provision shall not be construed so as to provide for additional compensation if the employee is recalled back for duty within the original twohour callback period, except that employees who are called back to work in excess of two hours will be paid for actual time worked. To qualify for call-in compensation, the time worked cannot be contiguous to the end of an employee's scheduled work shift.

6.6 MEALS AND LODGING REIMBURSEMENT: All meal, mileage and lodging reimbursement requests must have approval from the Highway Superintendent prior to their occurrence. Reimbursement will be made according to current Richardson County Board of Commissioners policy not to exceed set statutory limits.

6.7 WORK WEEK: The regular workweek shall be from 7:30 – 11:30 a.m. and noon to 4:00 p.m. The parties agree to the following conditions during the term of this contract, when the County determines that a "summer hours" workweek is beneficial: hours will

The Employer shall make reasonable efforts to post vacancies internally at least one day prior to external advertisements. Upon posting employees may apply for the position in writing for a period of not less than seven (7) calendar days.

**7.2 SELECTION:** The Employer shall fill job vacancies using factors of a) knowledge, experience and ability; and b) and job related tests. In cases where a current Roads/Highway Department employee is chosen to fill the vacancy, said employee shall serve a sixty (60) day probationary period. The probationary period is intended to give the Employer an opportunity to evaluate the employee's work performance in the new job, and also for the employee to evaluate the new job. Should the transferred employee fail to perform the duties of the new position in an acceptable manner, the Employer shall return the employee to his former position. During the probationary period, the transferred employee may at this option return to his/her previous job. Upon completion of the sixty (60) days probationary period, the employee shall receive the top rate of pay of the new position.

All new hires shall be required to serve an original probationary period of six months from the date of hire. An employee shall be removed from original probation status on the day following the end of the original probationary period, unless notified in writing of extension or separation by the Highway Superintendent.

The Highway Superintendent may extend the original probation of an employee for reasons of performance, transfer, promotion and leave of absence for a period not to exceed a total of one calendar year from the date of hire or rehire. Notification of extension will be in writing and shall include the specific period of extension.

Employees may be separated at any time during the original probationary period. Prior notice of separation may, but need not, be given. Employees on original probation do not have grievance rights.
